

What to Expect @Christian Assembly?

WHAT DOES A TYPICAL CHRISTIAN ASSEMBLY SERVICE LOOK LIKE?

A multi-racial, multigenerational gathering; where **ALL ARE WELCOME**. A typical Sunday lasts approximately one hour and thirty minutes. You can expect a live worship team playing music that has the same sound that you hear on Christian Radio. The Pastor will share a relevant sermon that will challenge you and make sense to your life.

THE WAY WE WORSHIP

INTRODUCTION

We are often asked this question by visitors: Why do we worship as we do? This little outline is intended to show that we are not simply doing it for the sake of being different—but rather we are self-consciously seeking to apply scriptural principles in our worship.

If you have never had the opportunity to be in a Spirit-filled service before, you will discover that Biblical expressions of worship are still practiced today. Join in with us as we praise God together in spirit and in truth.

WORSHIP DEFINED

Worship in its broadest sense is something we are to be doing in every area of life—everything we do is supposed to be for God's glory. Public worship is that declaring of God's worth that occurs whenever His people gather together under His Word. Biblical corporate worship then is WORD of GOD centered worship, done in "spirit and in truth" (John 4:24).

Pastor Alan & Mary

It is very exciting for Mary and I to be part of a church that is declaring the gospel to the unchurched in the greater Cleveland area and around the world. We continue to see people being equipped to be devoted and fruitful followers of Christ. May God continue to grace us to walk in faith, hope, and love.
